

FAASTeam presents:

AOPA Foundation High School Aviation Initiative and STEM Program

The AOPA Foundation's donor-supported STEM program will be of interest to school administrators, teachers, parents and students with an interest in aviation. Join us!

The program is being used in more than 400 high schools and by more than 16,000 students, nationwide.

This seminar will introduce the fundamentals of the AOPA High Schools Aviation STEM program, including 9-12th grade pilot and UAS curricula, teacher training workshops, an annual symposium, scholarships opportunities for students and teachers, and how to establish a high school flying club.

To earn WINGS credit, please register using your faasafety.gov email address.

Prior to attending this seminar, please review and abide by current CDC, state, and local health guidelines.

Directions: Fly to Lampson Field or Clear Lake if you have floats!

The Clear Lake Aviating Gathering will be held on April 22-23 at Lampson Field, Lakeport, CA 95453.

The event schedule can be found, here: [Clear Lake Gathering Program](#)

Prior to attending this seminar, please review and abide by current CDC, state, and local health guidelines.
